

HOW TO SEE GOD

Week 1

In your own words, what do you think it means to see God?

Do you think it's important to try and see God in our world? Why or why not?

What are some ways you've seen or felt God working in your life or in the lives of others?

Jesus' life gives us a picture of who God is. What's something about Jesus that stands out to you as an example of what God is like?

Read Galatians 5:22-26

Why do you think Jesus left us with the Holy Spirit?

How might looking for the fruit of God's Spirit help you see more of God in the world around you?

TRY THIS

Start a running list of where you're seeing God this week. Have students share in the group chat where they see the fruit of God's Spirit in themselves, others, or the world around them. Be sure to respond to or like each answer shared to let students know you saw it and encourage them to keep looking for God.
